SUMMARY

Current student at Carlton Coding bootcamp, recent graduate of the NBCC Animation program (with highest academic standing in a program), and a former graduate of the University of New Brunswick (GPA of 3.5 in the Media Arts and Cultures program) along with a Certificate in Film. I am a well-rounded individual in the fields of web development, animation and the independent film industry. I am Outgoing, confident, and excited to work!

EXPERIENCE

Electronic Sales, Staples Business Depot

Rothsay, New Brunswick— Summer 2010

At Staples Business Depot, I would work hands on with customers, assisting them with knowledge of electronics and finding them the best product for their needs.

Cashier, GE Barbour General Store

Saint John, New Brunswick— Summer 2011- 2012

The GE Barbour General Store was half coffee shop, half museum. My duties included running the coffee shop, educating guests on the history of GE Barbour Ltd and the city of Saint John, and acting as a cashier.

Maintenance, NB Power

Rothsay, New Brunswick— Summer 2013- 2014

At NB Power, I maintained the Rothsay warehouse, which included several activities, including stocking powerline equipment, assisting linesmen before their jobs, painting, general labour, using forklift and mowing the company grounds.

Intern, New Brunswick Film Co-operative

Fredericton, New Brunswick— 2014

I took a one year internship at the New Brunswick Film Co-operative in my final year at UNB. Every week I would attend the Co-op and learn about the film industry, while also working on my first film, "Gary," which went on to be nominated for best horror short at the 2014 Silver Wave Film Festival.

Billing Agent, Xplornet Communications Inc.

Fredericton, New Brunswick— 2015

At Xplornet, I gained hands on experience working with customers over the phone, providing assistance with several billing and technical matters.

Brokerage Rater, UPS

Fredericton, New Brunswick— 2018

At UPS, I would process shipments coming into Canada from other countries, classify the items and apply the correct taxes/tariff treatments to said shipment.

Freelance Animator, Loogaroo Animation

Miramichi, New Brunswick— 2018

In 2018 I had the pleasure of doing some freelance animation for a television program for Loogaroo Animation

Illustrator, Innovatia

Saint John, New Brunswick— present

In 2019 I was a contract illustrator for Innovatia, where I built and edited various drawings and schematics using Adobe Illustrator and Microsoft Visio. It was a fantastic job and a great learning experience
